## RE-ENERGIZING PASSIONS IN FLORIDA

Emmanuel's seminar visit to Florida was truly a whirlwind experience. Despite flying in-between Hurricane Ivan and Hurricane Jeanne, Emmanuel arrived safely in Tallahassee to share his methods for tapping into the re-energizing and healing benefits of one's passions. His "How To Press Play" seminar was offered through the Tallahassee Chamber of Commerce as a community service and was hosted by Adept Technologies.

*"Emmanuel's seminar really inspired me. He got me thinking about my passion for travel and how I can create and organize a local group that share my passion!"*

Barbara Anglisz, VP of Operations  
Adept Technologies  
Tallahassee, Florida

*"I thoroughly enjoyed Emmanuel's presentation. He truly lives what he teaches. I knew the root of many of my passions is talking with people. But the exercises we did blew the doors wide open. It opened up so many ways for me to harness that passion I had hidden from myself for so long."*
